

*People Helping People
With
Disabilities To Soar*

You Can Help. The Phoenix Residence, Inc. asks for your support to meet its annual goal of raising \$100,000.00 to enrich the lives of the residents.

Your life enrichment contribution will:

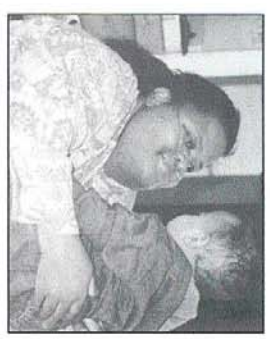

- Obtain adaptive equipment to enhance independence.
- Help individuals participate in educational and volunteer community activities.
- Enhance their living environment.
- Help individuals to explore a variety of social and recreational events.

The Phoenix Residence, Inc. is a private, nonprofit organization serving adults with developmental and physical disabilities. It has been a positive alternative for persons with disabilities for over twenty years. Phoenix is dedicated to the development of quality living experiences for persons with developmental and physical disabilities.

You can help make these dreams a reality with your contribution to The Phoenix Residence, Inc. Life Enrichment Fund.

*Citizens with disabilities
want to be active contributing
members of society!*

"I love to be with children. The kids make me feel good and I believe that I make them feel good too."

Pam Harmon

"Being around kids makes me happy. I can help them see that people in wheelchairs are real people."

Beverly Farrell

"My life would be great if I could live on my own with the support that I need."

Jeff Lock
